## **Listening Sessions – We heard you!**

The Church Council is recommending the formation of two unique task forces for two of the consistent themes from the feedback.

**Communication** – we need to improve the way we communicate with each other. This Task Force will be responsible for gathering input from the congregation, creating a plan for thoughtful, timely and effective communication, and presenting an action plan for all to follow.

**Vision Fulfillment** – we have a vision and now we need a strategy and action plan to ensure the uniqueness and diversity of Saint Mark is celebrated and visible to all. This Task Force will be responsible for creating a near-term and long-term plan for Saint Mark to be a viable and thriving destination church as well as a place of worship for the growing community around us.

Neither of these will be quick or easy but so critical to the stability and long-term growth of our beloved Saint Mark.

If you would like to be on either of the task forces above, please email **Robert Gilleo** at [rjgilleo@stmarkumc.org](mailto:rjgilleo@stmarkumc.org). He will compile the list of those interested. When we gather in the initial Task Force Meeting, as a group, you will determine how to best facilitate and move forward.

We look forward to seeing the progress these two Task Forces will make over the coming months (and years!).

Sincerely,

The Church Council
